# BAZAAR SAMITI

An agro fintech solution provider

# ABOUT US

---

Bazaar Samiti, A Farmer producer company Ltd. is formed in year 2020. We work as AGRO FINTECH company, which got vision to cater rural India. The idea to create farmer producer company is to work for agriculture and related works for rural India and upliftment of their lively hood.

It is observed that rural India, specially farmers of India do not have awareness about the schemes and financial support given by Government of India. Our agenda with this company is to work and create a network of rural agro entrepreneur.

# OUR VISION

---

All farm produce undergo critical phases in their commercial lifecycle, which are Production - Procurement - Processing - Marketing . Bazaar Samiti works on connecting each of these phases by minimizing detours, time to plate and the most important of all, right & regular income.

# OUR MISSION

---

As Mahatma Gandhi had said, "be the change you want to see", we stepped into the deep end of the Agricultural Chain by commencing our B2B/B2C operations with Bazaar Samiti Farmers Producer Company Ltd. Now our target is to complete the circle by creating a system of "POPS - Point of Purchase & Sale'. Where we believe in the century old barter system also.

# MSK - (MSME SEVA KENDRA)

MSK centre is to increase our presence as UdyamiMitra. We have been certified by SIDBI & IIBF for the same.

These MSK centres will be equipped and supported by our central team for training and handholding.

MSK will play role of extended arm of Bazaar Samiti, by this way we will ensure that each and every rural entrepreneur should be connected well and rewarded by his performance on monthly basis.

Our motto is to develop a society which will be supporting the agenda of Honourable PM for "ATMANIRBHAR BHARAT".

We want to create a network of MSK for the common people, so that they should have access and support of handholding for every kind of local or central schemes.
